### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Tempel at 770 709-0056 on 6/9/09.

The application has been amended as follows:

Claim 20 has been amended as shown below:

20. (Currently amended) The program of claim ~~[49]~~ 18, further comprising logic for supplying the external correlation key data to an analysis device that is coupled to the dissimilar communication networks, and wherein the external correlation key data is supplied by a customer provided communication device.

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 9, 17 and 25, the prior art fails to disclose the external correlation key data obtained by the analysis device characterizing a signaling message related to the first communication protocol and characterizing a signaling message related to the second communication protocol, where the external correlation key data is separate from the signaling message related to the first communication protocol and the signaling message related to the second communication protocol, where the external correlation

key data comprises information identifying the first communication protocol and the second communication protocol, and wherein the external correlation key data is detected in real time and characterizes a single call.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hanh Nguyen whose telephone number is 571 272 3092. The examiner can normally be reached on Monday-Thursday 8:30 AM - 4:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kwang Yao can be reached on 571 272 3182. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
